CELINE GRUSON worked on commercial and residential projects in France prior to joining HATZ in 2016. As a Project Coordinator at HATZ she has successfully delivered an extensive range of educational projects including the Melbourne Law School Offices refurbishment in 2017, the David Caro offices and Baldwin Spencer Student Lounge in 2018 and the Brown and Greenwood Lecture Theatres refurbishment in 2019.

She has also been evolved in residential refurbishments, landscape design and interior fit-outs such as the Berkeley St residential project, where she worked in close collaboration with the client and the builder in order to achieve an outstanding outcome. Céline also worked as a Project Coordinator as part of a multi-disciplinary team on technical projects, such as the Printing Workshop, the Animation studios and the Technical Store at the Victorian College of Arts, and the Video Production Facility at the University of Melbourne.
